- Ken will promote the show and is responsible for all management functions including, but not limited to, soliciting bourse applications, advertising, layout of the bourse floor, contracts, obtaining tables, chairs, cases and other items needed for the show, coordinating with the club’s and the ANA, and day to day management of the show while it is running.
- Clubs will assist with the show (set-up/take-down, registration table, exhibits, dealer check-in, door prizes, club table, symposiums, etc.)
- Based on their participation, the clubs will receive a percentage of any net profit from the show
- If Ken should ever decide to stop promoting/managing the show ownership including the physical assets of the show will revert to the clubs if they want to accept ownership
- The Colorado Springs Numismatic Society voted at the August 2016 meeting to give Ken Byrd ownership of the Colorado Springs Coin Show under the conditions listed above
