A discussion about Coin Club officer nominations for 2018-2019 ensued. Nominated were: Bob C., Pres.; Georgia W., VP; Steve D. 2nd VP; Barbara T., Treasurer; and, Phoebe S., Secretary.

Though a 2nd/Assistant Secretary (Holly S.), Sgt. at Arms (Frank T.), and Club Historian (Karen D.) were nominated, this action is inappropriate as per our By-Laws. These positions will be appointed by the incoming President.

If there any other Coin Club officer nominations for 2018-2019, please state them in an E-Mail to George or Jerry prior to 11/28 or just before intermission of this November meeting. Feel free to nominate yourself.

Not mentioned at the October meeting; I have filled out the paperwork for the yearly schedule (2018) of the community room meeting place and delivered it to the individual involved with scheduling at the police station. (I asked for a time change start of 6:30 to 6:00 so there is more time to set up).

It was noted that the **ANA Summer Seminar Scholarship Applications** need to be completed and turned in by/at this November's Coin Club meeting.

October Program

Keith Grove was our guest speaker on the subject of polymer currency. Keith is an outstanding Adult Advisor due to his contributions to the ANA and the Edward C. Rochette Money Museum, where he has been a volunteer docent for almost 10 years.

Polymer banknotes are banknotes made from a polymer such as such as biaxially oriented polypropylene. The use of the term "polymer" in place of "plastic" to describe banknotes was introduced in November, 1993 by the Reserve Bank of Australia, at the launch of its \$10 note. Such notes incorporate many security features not available in paper banknotes. Shown was polymer currency from all over the world.
