KEN B. DISCUSSES COOPERATION WITH THE ANA

Ken B. met with Colonel Steve Ellsworth, ANA President, and Richard Jozefiak, ANA National Coordinator, at the ANA Show in Atlanta to discuss a concept for the ANA to use to show the benefits of being a member.

Some background: In December Ken B. sent several emails to the folks that have different functions at the ANA asking them if they could come to a Club meeting and give a presentation on what the ANA could do for the Club and the member as well as what the Club and member could do for the ANA.

Tiffanie Bueschel, who is the Club Coordinator for the ANA, stepped up immediately and signed up to make a presentation at the January meeting, but unfortunately she was unable to make the meeting because of emergency dental surgery; she will be doing her presentation in May.

The other folks that Ken contacted at the ANA have either not responded or have been unable to assist because our Club meets in the evenings and they would have to attend our meeting in their free time. On his emails he included their bosses as well as Kim Kiick — he did not want anyone to think he was going behind their backs

So Ken tried to figure out how to make this concept a “Win-for-ALL” concept and recommended the following:

3. The ANA makes educational videos on all of the different aspects of the ANA and what they have to offer to individual members as well as clubs and National Organizations
4. Use the Colorado Springs Coin Club as the perfect studio audience for the videos because they would be people who work at the ANA daily and our members would not be asking canned questions but real collector thought out questions
5. On a monthly basis we have 30 to 50 members attend our meeting so it would really be a great session for each of the topics
6. He also suggested that the presentations would be considered “work” for the ANA employees, so they do not have to do the presentation on their own time. We would coordinate the activity with the presenter but also the video production team at the ANA.
7. Kim Kiick and Steve Ellsworth could do an introduction about the series and why it is important to the ANA for the video that could be added to the beginning of each one

We can come up with a lot more topics but some of the ones Ken thought of were:

- Summer Seminar
- Youth Education and Educational Programs
- The Library
- The Museum and Tours
- National Conventions
- Advertising and Publications

Discussions are ongoing. Look here for future updates!

AMERICAN NUMISMATIC ASSOCIATION

THE ANA NATIONAL MONEY SHOW, ATLANTA

by Steve D.

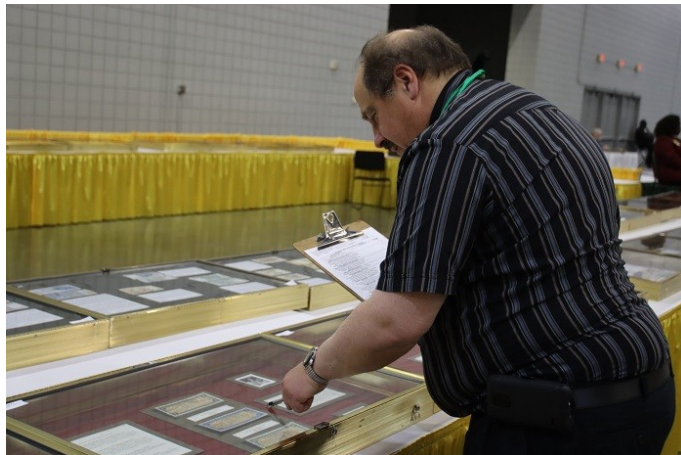

I'm writing this only nine days after the February meeting, and it seems like a *lot* more than nine days of things have happened.

I left the February meeting early to begin my drive (yes, *drive*) to Atlanta. I couldn't get decent timing and fares for a plane trip, and given the coronavirus, I figured it was just as well I wouldn't be cooped up

in an aluminum cigar tube with a couple of hundred people who had been who-knows-where.

I had to be in Atlanta 10 AM on Thursday to attend the exhibit judges' meeting. This left me very little time to sleep. I was able to get by with cat naps during the drive and six hours of sleep in Atlanta before the judges' meeting. Ken no doubt noticed I seemed slightly frazzled that first day.

I was assigned to be head of the three-judge group working the Geography class, and then I was on the five-judge team to pick the Best of Show winner from the seven class winners.

Me judging the exhibit that ultimately went on to take Best of Show

This kept me pretty busy, but not so busy I couldn't do some shopping. But first, I should talk about some of the other CSCC people who were there.

Most of you will remember Bruce B. It turns out he moved to Georgia, and he ended up on the host club committee. He and I had been in occasional contact over the past few months for advice. I saw him several times during the show.

Ken B. not only had a table, he spent a lot of time meeting with ANA officials to propose some mutually beneficial activities. These are highlighted in a separate article.

Of course, Tom and Ken H. had a table at the show, about midway back from the front of the hall.

Finally, on Saturday there was a reception and awards ceremony for the winners of exhibit awards, and I had the pleasure, once again, of presenting the three Best of Show awards--gold, silver and bronze--to their very deserving recipients. (I get to do this because I endowed the award.)

Ken B. also had a table at the show, near the exhibit area.

After helping take down the exhibit area, I left Atlanta at about 4PM. Between that and the fact that the time zones were working with me, not against me, I had the luxury of eight additional hours to drive home versus driving there, so I slept in a motel somewhere in the Missouri Boot Heel. After a long day of driving, I was greeted by about four inches of fresh snow with more falling as I drove in on US 24 from Limon.

Aaaah, Colorado!
