February 23 Program

Nate Bower of Colorado College's Chemistry department, will be giving a talk and slide program on "Non-Destructive Chemical Attribution of Coins with Surface Corrosion" . There will also be a group of individuals from the college with Nate. Because of a time factor, we will dispense of Collectors Corner and possibly our auction this month.

Weather Warnings

Once again as we get into questionable weather conditions for our regular meeting dates, please use good judgment if your not notified of a cancellation. We would try to notify all regular members ahead of time but if not, my number is in the telephone book!

Show Exhibits

Please start thinking about a numismatic subject for your July Coin Show Exhibit. We will have very good numismatic awards for all that participate in Adult and Young Numismatist categories. Exhibit sign-up forms will be available at this meeting.

Coin Show Give-away Box

For the next few months we will be asking members to donate foreign coins, tokens and other inexpensive collectable pieces to our Colorado Springs July Coin Show "Young Numismatist coin give-away box".

Newsletters On Website

NLs have been added to our "coinsinthesprings.com" website and will continue to be added there monthly. We discussed the change at the society meeting deciding to continue individual E mailings.
