### Weather Warnings

Once again as we get into questionable weather conditions for our regular meeting dates, please use good judgment if you're not notified of a cancellation.

We would try to notify all regular members ahead of time but if not, my number is in the telephone book!

### Show Exhibits

Please start thinking about a numismatic subject for your July Coin Show Exhibit.

We will have very good numismatic awards for all that participate in Adult and Young Numismatist categories. Exhibit sign-up forms will be available at this meeting.

### Coin Show Give-away Box

We have had a great response by Coin Club and Society members for the donation of foreign coins, tokens and other inexpensive collectable pieces to our Colorado Springs July Coin Show "Young Numismatist coin give-away box". Thank you for the most recent donations of James N. and John L.

### Newsletters On Website

NLs have been added to our "coinsinthesprings.com" website and will continue to be added there monthly.
