## Medals Update

Dave and Terry will be heading up to the Moonlight Mint this Saturday to help Dan finish our medal order and bring it back with them.

Dan said if any other club members want to come up Saturday they are welcome to do so. Terry expects most of the activity will be packaging the medals. Still not certain how many of the different type medals will be struck before Saturday but some medals (at a minimum the cancelled die medals) will be struck then. No special striking of overstrike medals though. Anyone interested may call or E-mail me back for info.

## Get Information Out

I would like to remind members of our coin show's dates and hours and to encouraging them (those who have Facebook ) to e-mail all their family, friends, and anyone else that they chat with and then ask those people to continue those e-mails with the show information to all that they 'Facebook' with. If we do that, it will certainly get the information out to a lot of people.

Friday, June 29th 9:00 AM to 6:00 PM  
Saturday June 30th 9:00 AM to 5:00 PM  
Sunday July 1st 9:00 AM to 4:00 PM

## May Meeting

Thirty-four members and one guest, Brad L., were in attendance at the evening meeting. The secretary's report as published in the May newsletter was presented and accepted. The treasurer's report was presented and accepted.

## May Business

George M. told of the sales of our proof anniversary medals were going well. This was the final day for taking orders and payments for our proof medals for the club's membership. Our club table at the ANA Money show went well, passing out a good number of our club show fliers and selling a selection of the copper and brass medals.

Frank K. and George M. told of a need for our young numismatist's "Coins for Kids". Inexpensive pieces, foreign, tokens and or medals for giveaways.

A motion was made and passed to donate a set of numbered proof medals to the original four that were given as a dedication by the club.

Another motion was made and passed to have the quantity of fifty uniface medals made for the club to use as awards to program speakers, special club prizes and for special club events.

It was brought up that we may want to give a set of our club medals to the bank where we hold our meetings. We will discuss this again.

We will have a limited selection of wooden nickels for YN's at the show. Our wooden nickel maker, Don P. has departed the club and the state.

Club members, Amanda D. and Dan U. are planning program activities and asked the membership for additional ideas for club activities. The membership was divided in two sections for a fun and informative quiz on gold.

Brad L. applied and was accepted to membership. John C. (an Illinois resident buying medals) applied and was accepted for membership.

## Collector's Corner

Frank K., Ernie M., Mike W., Dan U., Joe M., Dick N., Bruce B., Ken H., Bob L., and Terry C.
