2014 Coin Club Appointments

At this meeting we should appoint two club positions, a Club Historian and a Sergeant of Arms.

February Program

Daniel Carr presented a very informative talk and slide presentation about Franklin D. Roosevelt's 1933 confiscation of gold coins. Daniel told of FDR's Gold Confiscation Act to provide relief in the existing national emergency in banking at that time. The law required all citizens to hand over to the government via the banks almost all gold coins (US and foreign), bullion (bars, nuggets, dust, etc.) and gold certificates. Economically, banning private holding of gold was to hasten the effect of propping up the US currency. Then from 1934 on, no mention of gold was placed on our paper money certificates.

February Collectors Corner

Members, Ernie M., George M., Frank F., Jerry F. and Steven R. displayed numismatic material.

February Door Prize

Members winning monthly prizes were Karen D., Jerry F., Tyrone C. and Bill C.

February Volunteer Prize

The prize winner was junior member, Treavor E.

February Membership Prize

Our membership prize winner was Frank F.

February Regular Auction

A thirty lot auction was held with twenty-seven lots selling. Thank you again to Jerry F. for being and doing a great job as our auctioneer.

March Program

Our speaker for March will be Douglas Mudd, Curator, Edward C. Rochette Money Museum, giving a presentation about Colorado Numismatics. With a talk and projector we will hear and see a general historical overview of Colorado Numismatics from early until modern times.

March Auction

Club officers would ask “please try to keep your lesser valued lots combined into larger lots of at least \$1.00 minimum value to speed up the auction process.

Summer Seminar Symposium

The American Numismatic Association will be holding an event, “2014 Light from many Lamps, All-Star Numismatic Symposium” in conjunction with our Colorado Springs Coin Show, Friday, June 27th at Freedom Financial Center. The presentation would include a variety of speakers with a multitude of topics of numismatic interest. The talks would be scheduled on the hour, of 30 to 45 minutes in length, including questions from the audience.

Weather Conditions

Regarding questionable weather conditions for our regular meeting dates please use good judgment if you are not notified of a cancellation during bad weather. I would try to notify all regular members by E-mail or telephone ahead of time, but if in doubt, my numbers in the book. We don't want anyone risking their life to attend a club meeting.

ANA's Web Space Page
