### **August Program**

Our own, Frank K. will be our monthly speaker giving a talk to the membership on the grading of Indian Head Cents. Frank, a long time collector of the Cent's series will show some differences with older grading systems comparing with newer systems which effects pricing greatly.

### **September Program**

For September we will be having Paul DeFelice, Vice President of Customer Relations and Marketing of ANACS. ANACS was created by the American Numismatic Association (ANA) with a mission to correct an urgent problem facing the coin hobby--counterfeit coins. As we know, the ANA is a century-old, not-for-profit educational association for collectors of coins, tokens, medals and paper money based here in Colorado Springs.

### **ANA's Web Space Page**

Our website can be viewed at ([cscclub.org](http://cscclub.org)) or ([csnsclub.org](http://csnsclub.org)). We do need members help with this website and ask for any ideas for adding information, articles, and art work to the site. Our monthly newsletters and all club information can also be viewed on the website.
