A General View of our 2016 Coin Show

Set-up and take-down of our annual show went very well with volunteer members of both the Coin Club and the Society doing a fast and efficient operation. Thank you to those hard working volunteers for doing a great job.

The show registration of the four days went over one thousand with guests and the seminar attendees. Show security again did a very good job with controlling the floor.

The show volunteers registration table, the show door prizes, coins for YN's and YN's giveaway table went very well as did the exhibits.

Thanks to the nine members that entered eleven fine numismatic exhibits for this annual show.
