March Business

The one guest; Joe C. applied and was accepted to membership.

Our president, Jerry F. told of the club needing Lincoln Cent (Whitman Blue Books) 09-40 or 41-58 dates, empty or with coins, while explaining our "Kid's Night" as our August 22nd program with ANA's Sam G. A partially filled Lincoln Cent Book will be used for a Y/N prize in August with cents donated by CC members.

Jerry also showed the club's Coin Show, one page handout flier.

Secretary, George M. again presented our show registration volunteers sign-up sheets. We ask the membership to please consider signing up for the Registration Table Volunteers for the June Coin Show. By doing so, you become eligible for the monthly Volunteer prizes of 2017 and 2018. Also, I have Coin Show Exhibit Forms for entering your exhibit at our show in June.

Steve D. mentioned again that we are in need of ambassadors and pages for the August ANA Denver show and being a part of this event entitles you to early bird access at the show. Also mentioning that we are in need of individuals with scouting experience for a Scout Merit Badge program.

Bob C. told of choosing of an applicant for the 2018 ANA's Summer Seminar will be drawn at our

Christmas Party. The club approved the suggestion from Mike Willis to read: attend at least 6 meetings at one of the two clubs (CSNS or CSCC) or attend a combined total of 8 meetings at either of the two coin clubs. It was also decided to have the application due by November 28, 2017 (the November CSCC meeting). I will have the finalized application available at this month's coin club meeting.

Free Coin Evaluations

Joe C. told of a coin evaluation program by club members to meet at area libraries.

(This is from a note to me, George from Jerry F.)

Today I met with the manager of the Florissant public library. She liked the ideas as much as the Director of the WP Public Library did. So, now I have scheduled times at both facilities to offer free coin evaluations. I will be in Florissant on May 3 from 11 AM to 2 PM and at WP on May 17 from 5-7 PM. Hope some of you can figure out how to do this at your local library branch ... I made it very clear these sessions would not include any buying or selling of coins, just evaluation
