Show Summary

According to the feedback I received from the ANA, things went well at the

World's Fair of Money.

Everyone seemed pleased, including some dealers I know who are (seemingly) never pleased. My understanding is that we had three no-shows out of 42 expected for Ambassador and Kids Zone. Thanks to everyone who helped out! (And I'll say that again: Thanks to everyone who helped out!) I heard at the numismatic society that we had four hundred kids work the treasure hunt, versus a couple of dozen last year in Anaheim. The quality of the exhibits was extremely good as well (though we didn't have a lot of control over that). We had very good coverage with the pages. Jerry F. (I heard from a third party) was doing an excellent job introducing the Money Talks speakers. I don't know numbers on the scouting clinics, but everything went smoothly.

Good show, everyone! **Steve D'I**
