September Meeting - September 26, 2017

August Meeting

Last months Young Numismatists meeting was attended by twenty-four club members and nineteen Young Numismatists guests and six or eight of their parents.

August Business

Steve D. showed the ANA official show medals, mentioning the six committee persons to receive them. Then he discussed the Lincoln cent going to a (technically) brass alloy with no tin in it from 1944-1946 and again from 1962 onward; he secured examples of both for his typeset and showed them, as well as a 1916 that does not have VDB initials either on the reverse nor on Lincoln's shoulder, which he decided was also a sub type that he needed for his set.

It was noted that Door Prize, Membership and Volunteer Prize Winners along with Collectors Corner and an August Auction will continue after the September meeting.

August Program

For our August evening meeting Sam Gelberd, ANA Numismatic Educator directed
"Young Numismatist's Night."

Which turned out to be a huge success for the club and the Young Numismatists. Nineteen door prize tickets were passed out to the Young Numismatists attending the program. Sam talked about dates, mints, "Pennys vs Cents", Half Cents, Two Cent Pieces, books, sets and gave ANA giveaways to the YNs. Also he encouraged all of the nineteen attending to visit the ANA's Money Museum. Sam along with our president, Jerry presented contests, games, door prizes and "cent related awards" to every YN that was in attendance at the meeting including a Grand Prize of a partial set of Lincoln Cents (valued at over \$200.00). Hallenbeck's Coin Gallery donated a 5,000 cent bag of wheat cents with special pieces mixed in which was divided into three separate heaps on the floor for the Young Numismatists to select coins for their own cent book collections.
