CSCC NEWS

Here are Club-related events that have been happening "behind the scenes" despite there being no meetings.

ANA PRESENTATIONS

We are still waiting for a response from the ANA concerning Ken's suggestion to use our Club meetings to film the presentations on the different departments within the ANA and what they do to benefit ANA members and clubs, as well as suggesting how members and clubs can provide them support. (See the March 2020 newsletter.)

CLUB NEWSLETTER

The first month with the new job and it appears your editor has already made an impression. The March newsletter was submitted to the ANA MintMark, and this was Tiffanie Bueschel's response: "Steve - you did an amazing job on the club's first [first one submitted--S.] newsletter!! It's clean, easy to read and has a lot of information. You should consider submitting it next year for the ANA club publication awards. In fact I like it so much, I want to join the club to get the newsletter (and of course to support all my local club peeps)." President Ken B. was happy to see this, commenting: "Please congratulate Steve when you next see him. With his support we hope to continue the same standard of excellence that he established with his first newsletter."

ANA CLUB TRIVIA CHALLENGE

This is still ongoing!! To date we've had **four** members submit answers to the questions (see the ANA mailing included at the end of this newsletter). We plan to submit our answers on April 29th. We would like to score 100% on the questions and compete for one of the ANA prizes:

- Grand Prize: American Eagle 2020 one-tenth ounce gold proof \$5 coin.
- Second and Third Prizes: Women's Suffrage Centennial 2020 proof silver \$1 coin.
- Additional Prizes: 2020 Proof Sets, and others.

We are also going to have a special drawing for those that have participated in the challenge and have submitted answers.

If you want to get in on the action, please look over the questions, and send answers to the Club email: coloradospringscoinclub@gmail.com by April 25 (this is a five day extension from the old April 20 deadline). At this late date, please do not send your answers to the ANA.

TRACKING CLUB FINANCES

Ken B. and Barbara T. have finished the Excel spreadsheet that tracks all of the Club's incoming and outgoing funds. We were able to track all expenses and revenue back to 2017. We now have the capability to average expenditures and revenues, and easily see what we spend money on. We can use this information to build future budgets.

This spreadsheet will be on display at our next meeting (whenever that turns out to be).

CELEBRATE WOMEN IN NUMISMATICS DURING 2020 NATIONAL COIN WEEK

REMARKABLE WOMEN: CATALYSTS OF CHANGE

From the ANA

Inspired by the 100th anniversary of the 19th Amendment and the many contributions of women in society and numismatics, "Remarkable Women:

Catalysts of Change" is the theme for the 97th annual National Coin Week, April 19-25. The theme was provided by ANA member Gene Schafer.

The Association will host a variety of [National Coin Week](#) activities online and at the Edward C. Rochette Money Museum in Colorado Springs, Colo. Events and educational content focuses on women around the world, from ancient times to present.

"The impact of women in improving our hobby and our world is often overlooked," said ANA National Coin Week Coordinator Andy Dickes. "This year is a perfect opportunity to celebrate their substantial contributions."

ANA-sponsored activities for National Coin Week include:

- A writing challenge for members on the ANA blog. Quality entries will earn 2020 Women's Suffrage Centennial silver dollars and other prizes.

- A student activity to create a coin design centered on the Seneca Falls Convention.
- Online daily trivia challenges. Every day of National Coin Week, a new question will be released on the ANA's [Facebook](#), [Twitter](#) and accounts and online at [NationalCoinWeek.org](#). **Participants must submit their answers on the ANA website for a chance to win prizes.**

- The annual coin club trivia challenge, where ANA member clubs test their numismatic knowledge and compete for prizes. (See the end of this newsletter.)
- Online resources including articles from *The Numismatist*, objects from the ANA collection, promotional documents, links and suggestions from the ANA library
