August Business

It was brought up again that our Society would review from year to year our treasury's finances regarding our donation for one third of the \$300.00 for the scholarship to ANA's summer seminar program. As we would reach a decision about which way we will go regarding our clubs web page a motion to pay the Coin Club our half of expenses for the two years that we have had the "Coins in the Springs" site. (More on the Clubs web site at the meeting). Another discussion was made on the volunteer prize 2010 / 2011 system. Again, we would revisit next year the prize to be won only one time by a member, per club, per year. Bill C. applied for membership and his acceptance will be our first order of business this Sunday.

August Door Prize Winners

Recipients of Sunday's door prizes were; Moe B., Frank T., Bill C., Jared K., Mark E. and Duane C.

August Volunteer Prize

Member, Don P. was the winner of the five "State Quarter Collection - Gold Edition" quarter sets.

Numismatic Society Program Numismatic Society Program

If the game isn't over by 1:30, set your recorders for the end of the Bronco - Jacksonville game. At this September 12th meeting we will have fellow numismatist and longtime member, John W. Anderson repeat a program on "Crime and Numismatics" given 15 years ago to our clubs. John, former El Paso County Sheriff wrote a great article for The Numismatist in July, 1994 titled "Investigating Numismatically Related Thefts". A copy of this article will be distributed along with information by John on how to secure your numismatic interests. This will be a program that we all can learn from and appreciate.
