Fellow numismatist and longtime Society member, John W. Anderson presented a program on "Crime and Numismatics" given 15 years ago to our clubs. John, former El Paso County Sheriff wrote a great article for The Numismatist in July, 1994 titled "Investigating Numismatically Related Thefts". A copy of this article was distributed along with information by John on how to secure your numismatic

interests. Some of the important numismatic subjects discussed were documentation, dispersal, decoy, description, and traveling with numismatic material.
