January Business

George M. reported that Frank K. was hospitalized a couple days with a lung bacterial infection. He is home now, feeling much better,

Our new president, Terry Cal. made a suggestion for member name tags showing ones from the Tucson club. The tags could also designate society officers, past and present. The motion was tabled until we had better ideas of what everyone would agree on and the cost of the items. Another suggestion offered was officer meetings, bimonthly or quarterly, which any member could attend, perhaps selling the society coins for monthly door prizes. Finally, as we have already done, a front table at each meeting for officers and a change of our exhibit table to the center of the membership tables.

George M. also displayed the 2012 exhibit standings sheet and presented a bill for Society Meetings in October, November and our December Christmas party, which was motioned to be paid.

Society treasure, Terry C. presented a treasurer's financial report for the year 2012.

Ken H. made a recommendation to increase our yearly donation to the Trinity Church which was motioned and accepted.

Ken H. and Terry Car. presented ANA nominations for members to sign for governorship for Richard Jozefiak and William D. Hyder.

Chuck M. told of seeing well made, early date, magnetized counterfeit pieces shown to him by Frank K.

ANA's Web Space Page

Our website can be viewed at (csns.anaclubs.org) or (csccl.anaclubs.org). We do need help with this and ask the membership for any ideas for adding information, articles, art work and newsletters to the site.

Weather Warnings

We are in the season of questionable weather conditions for our regular meeting dates, please use good judgment if you are not notified of a cancellation during bad weather. I would try to notify all regular members by E-mail or telephone, ahead of time, but if in doubt, my number is in the book. We don't want any members risking their life to attend a Society meeting.
