At the meeting Coin Show results were discussed. Show set-up and take-down went well with volunteer help being great as expected. The sales of the 96 page CDN Market Review was nowhere near what was expected which ended up as us giving away all but just a few copies. Our first show raffle was successful with the raffle sales making a profit for the clubs.

The show security had reported a couple of incidents which were quickly resolved.

The show shuttle service was reported in question for quite a few hours of operation.

We had ten show exhibits with five award winners as follows;

Award; 1st Place Adult Coins and Paper Money	"Meteorite Coins"	Bob C.

#### GLEANINGS      August 2018

Looking back at the Society's 1988 newsletters. The year started out with three exhibit talks in January. Jack Ates presented "Franklin Mint Issues." It is noted that his display total for all his exhibits reached 7,542 different pieces from 316 countries.

Dick Goudy's presentation on "Stagecoach Tokens" was the exhibit ribbon winner that month. He displayed replica tokens from the Butterfield-Overland Stage Lines, Holloway Stage Lines and the Adams Express. He included sketches of Indian attacks, coaches, routes and stage stations from Atchison, Kansas to Denver Colorado.

Max Stucky brought "Recent Acquisitions" consisting of Cripple Creek Stock Certificates from Arcadia Consolidated and Alert that he had not previously displayed at the Society.

By April of that year some members had not paid their \$2.00 annual dues.

Our current \$5 annual dues is still a bargain. Be sure your 2018 dues are paid in order to qualify for the Membership Prize at the meeting. To supplement our dues, the September meeting will feature our annual White Elephant Auction with all proceeds going to the Society. Don't forget to bring a donation to the auction next month.
