GLEANINGS September 2018

Our Society is on the verge of a seismic shift. For over 30 years George M has served as the Secretary of our organization. That's the number of years in the typical definition of "generation." We are indebted for his generation of service to numismatics in the Pikes Peak region. Not only as Secretary, but he accumulated responsibilities beyond his secretarial duties when the membership and attendance were smaller than they are now. That ends December 31 of this year.

That means the rest of us need to take a little more responsibility for the stuff that makes this a great club to be in. For instance, nearly every month for those 30+ years one person brought boxes of donuts and brewed the coffee that we enjoy at the mid-meeting break. Is there a person who will take on this position beginning January 2019? Or are there 2 or 3 or 4 who can share picking up our donuts? We can even separate the coffee and donut responsibilities. This includes cleaning the break room at the end of the meeting. Once a quarter these expenses are reimbursed by the Treasurer. Let me know your thoughts at the meeting, or by replying to the newsletter email.

Another area where we are looking for a volunteer is webmaster for the Society website. Our election for next year's officers is at our November meeting. President, Vice-President, Secretary, and Treasurer are all on the ballot.

So, think about how you can give back in serving your Society. Thanks.

Dan, President

George Mountford, Society Secretary
