The secretary's report as published in the January newsletter was accepted.

The treasurer's report for January was given by our treasurer and accepted.

### *January Business*

We had hoped to have the 2019 Society elections in November, but because of the November meeting cancellation, the elections took place at our January 13 meeting. The new officers for a two-year term (2019 – 2020) were elected. One candidate was nominated for each position and were elected by unanimous vote: President, George M.; Vice President, Steve D.; Treasurer, Wayne W.; and Secretary, Dan U.

Old Business: Outgoing Treasurer, David J, provided a 2018 Financial Summary report on health of the Society's financial condition for the duration and at the conclusion of his term. (As expected, expenses outpace income.)

### REMINISCING February 2019

**HERE WE GO!** Our Numismatic Society is starting 2019 with a new president, me! Now that I have the time, along with my presidential aspiration this year, I hope to attend the ANA Seminar of Grading U.S. Coins Part 2 in June.

Please, I would like to see a little more responsibility in member participation with Society functions this year. I have learned, coin collectors need take time to learn as much as they can about numismatics and the quickest and easiest way to do that is to join a numismatic club and participate with others.

### National Coin Week April 21-27

ANA-sponsored activities for the week include:

- A contest for ANA members and Young Numismatists to create a coin or medal celebrating invention and discovery 50 years from now.
- An online daily trivia challenge on social media and on [www.money.org](http://www.money.org).
- The annual coin club trivia challenge, where ANA member clubs test their numismatic knowledge and compete.
- Online resources including articles from The Numismatist, promotional documents, links and suggestions from the ANA library and more.
- An open house at the Money Museum on Saturday, April 27, which will include free admission, activities for children and adults and the minting of the 2019

National Coin Week medallette in the museum's Mini-Mint.  
Participants of trivia and contests have a chance to win a prize!
