The Colorado Springs Coin Club will host the Pikes Peak Coin Show on Saturday, October 16, 2021. This is a 1 day show to be held at the Fraternal Order of Eagles, 1050 South 21st St, Colorado Springs [near US Hwy 24] where the CSCC is currently meeting. More details are in process and will be discussed at our meeting,

EXHIBITS:

George M. showed a Standing Liberty quarter with an S mintmark and a date worn away by circulation. Even though the date cannot be read (or barely recognized with proper lighting) the date can be ascertained by the lack of stars below the eagle on the reverse, making it a 1917-S Type 1.

Dan U shared 2 NRA challenge coins that he received from Col. Steve Ellsworth in 2012 for assisting with the numismatic security course taught by Col. Ellsworth. The challenge coins were shared to represent the value of the people in the hobby that friendships we acquire in addition to the numismatic acquisitions.

Kevin L displayed the SS Andrea Doris collection he obtained at yesterday's coin show. It consists of a 1000 Lira note from the Bank of Italy, with obvious damage, that was salvaged from the ship's safe. It is now encased in Lucite with a certificate of authenticity. A pamphlet and video on the ship and recovery came with the note. The Italian ocean liner Andrea Doria sunk the night of July 25, 1956 after colliding with the SS Stockholm. Paper money from shipwrecks are rare. The 1981 salvage operation found silver certificates and Italian notes.

Steve D used a computer card (these fed data into computers before floppy disks for those of you not old enough to remember) and 1901 series \$10 "Bison" large legal tender note he recently acquired to explain the connection between US large notes, computer cards and even airline boarding passes. The computer cards used the same dimensions (7.5" x 3.125") as large notes in order to utilize existing equipment made to process large notes.

AUCTION: All three auction lots sold with \$12.00 going to the Society treasury.

PRIZES:

Membership Prize and 5 Door prizes were awarded.

Kevin L displaying the SS Andrea Doris collection he obtained at yesterday's coin shown the monthly exhibit award.

RAFFLE:

Raffle prize won by Wayne W.

REMINISCING

A very important item that we will be discussing at this meeting will be an event that the Coin Club president, Dave S. and other are in the process of contacting the Eagles Club, where the Coin Club is currently meeting, for renting the facility for a Coin & Collectibles show that would be on Saturday, Oct 16th.

Some of the particulars about the event;

We would hope to set up the show on Friday - we can do it mid day or from 6-8 or whatever is convenient for the Eagles. We would allow dealers to come into the building on Saturday beginning at 7 A.M. with the show open to the public at 9 A.M. The show would end at 4 P.M. and we will remove all items that we brought to the show, move tables and clean up the space.

There would be security and insurance for the event.

The West side door would be open for people to enter and leave. Other doors would be marked not an exit.

The Colorado Springs Numismatic Society will be a sharing our coin show responsibilities. The Society would be having a raffle or raffles during the show.

It was told that CC members had talked to the new Eagles president whom agreed to the terms of the request, so now just have to wait for the cost and they will be getting us a contract to review.
